## SHELBY AMERICAN EMPLOYEE REGISTRY

Some time ago, while at a parts swap meet, I came upon 2 former Shelby American employees who hadn't seen each other in 30 years. They were having a wonderful time. I thought "What if we could get this group together?" Well we have...eleven times...and the 12th reunion is being planned. Vol. 14 of the directory was published (over 125 former employees). So come on board and receive yours by simply filling out this questionnaire.
